August 22, 2008

Honorable Mayor and Council Members
 City of Ames
 Ames, Iowa 50010

Ladies and Gentlemen:

I hereby certify that the utilities and street construction required as a condition for approval of the final plat of **Sunset Ridge 3rd Addition** has been completed in an acceptable manner by Ames Trenching and Manatt's, Inc. The above-mentioned improvements have been inspected by the Engineering Division of the Public Works Department of the City of Ames, Iowa and found to meet City Specifications and Standards. This letter also certifies that the lighting requirements, as established by City of Ames Electric Department, have been completed.

As a result of this Certification, it is recommended that the financial security for public improvements, submitted by Hunziker Land Development, on file with the City for this subdivision be released in full.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Joiner', is written over a horizontal line.

John Joiner, P.E.
 Public Works Director
 City of Ames
