

Memo

City Manager's Office

TO: Mayor and City Council

FROM: Diane Voss *DV*

DATE: December 12, 2008

SUBJECT: March Workshop

As you are aware, the date for the first Regular Meeting of the City Council in March 2009 has been changed from March 10 to March 3 to accommodate the timely certification of the City's budget.

On November 25, 2008, staff was directed by the City Council to schedule discussion of options for expansion of the Public Library on the March 17 workshop agenda. It has since been determined that the National League of Cities Conference is set for March 14 - 18, 2009. The Mayor and several Council members normally attend that Conference, which would mean that we would not have a quorum on March 17. Therefore, it is being requested that you set March 10 as the workshop meeting date for March 2009. Library Director Art Weeks has confirmed that the consultants will be able to attend on March 10.
