

Memo

Mayor's Office

TO: Members of the City Council

FROM: Ann Campbell, Mayor

DATE: October 9, 2009

SUBJECT: Appointments to Student Affairs Commission

Jeri Prescott and Fern Kupfer have served on the Student Affairs Commission as neighborhood representatives. Their terms of office expired on September 1, 2009. Both Jeri and Fern have indicated their willingness to be reappointed to another term.

Also, there is an existing vacancy that needs to be filled by a member of the Young Professionals Association or the Ames Jaycees. Barry Green has agreed to serve on the Commission in this capacity.

Therefore, I recommend that the City Council reappoint Neighborhood Representatives Jeri Prescott and Fern Kupfer for two years on the Student Affairs Commission. I further recommend that Barry Green of the Young Professionals Association be appointed to this Commission for a two-year term.
