City Council, City of Ames

Dear Ms. Mayor and Members of the Ames City Council,

It is my pleasure to inform you that Priscilla Sage, the artist who the PAC & Ames Town & Gown Organization has commissioned for the pieces in the Ames Auditorium lobby, has kindly donated an additional piece of artwork to be displayed in the Ames Auditorium lobby as a permanent inclusion in the Ames Public Art Archive. The new piece is a singular ceiling hung piece to be placed in the west stair adjacent to the lobby and will compliment the pieces by Mrs. Sage that are currently on display in the lobby. The PAC was very pleased to receive such a generous gift on behalf of the City of Ames and we would definitely recommend formal acceptance of this gift by the council.

Respectfully submitted,

Samuel J. Stagg, Chair
Ames Public Art Commission
