**MANAGER'S RECOMMENDED ACTION:**

The Planning & Housing Director has determined that the proposed plat of survey satisfies all code requirements, and has accordingly rendered a preliminary decision to approve the proposed plat of survey.

**Therefore, it is the recommendation of the City Manager that the City Council act in accordance with Alternative #1**, which is to adopt the resolution approving the proposed plat of survey. Approval of the resolution will allow the applicant to prepare the official plat of survey incorporating all conditions of approval specified in the resolution. It will further allow the prepared plat of survey to be reviewed and signed by the Planning & Housing Director confirming that it fully conforms to all conditions of approval. Once signed by the Planning & Housing Director, the prepared plat of survey may then be signed by the surveyor, making it the official plat of survey, which may then be recorded in the office of the County Recorder.

It should be noted that according to Section 23.307(10), the official plat of survey shall not be recognized as a binding plat of survey for permitting purposes until a copy of the signed and recorded plat of survey is filed with the Ames City Clerk's office, and a digital image in Adobe PDF format has been submitted to the Planning & Housing Department.
