Honorable Mayor and Council Members
City of Ames
Ames, Iowa 50010

Ladies and Gentlemen:

I hereby certify that the street lighting required as a condition for approval of the final plat of **Northridge Heights, 15th Addition** have been completed in an acceptable manner. The above mentioned improvements have been inspected by the Electrical Division of the City of Ames, Iowa and found to meet City specifications and standards.

As a result of this certification, it is recommended that the financial security for public improvements on file with the City for this subdivision be reduced to \$41,000.00. The remaining work that covers this financial security is the final lift of asphalt surfacing and final erosion control stabilization.

Sincerely,

John Joiner, P.E.
Public Works Director
City of Ames
