

MEMO

To: Mayor and City Council

From: Kelly Diekmann, Planning and Housing Director

Date: November 21, 2014

Subject: Item No. 30: Hearing on Proposed Amendments to Chapter 31

Staff is still working on the final ordinance changes after receiving the recommendation of the Historic Preservation Commission. Therefore, the hearing will either need to be continued to a later date or opened and immediately closed if the scope of the changes requires a new notice to be published. Staff expects this item will return to Council on December 9th.
