COUNCIL ACTION FORM

<u>SUBJECT</u>: CYSTIC FIBROSIS FOUNDATION REQUEST FOR "CAPTAIN MIDNIGHT'S RUN FOR CYSTIC FIBROSIS"

BACKGROUND:

Captain Midnight's Run for Cystic Fibrosis 5k run/walk is an event that has taken place for the last seven years in north Ames. This year, the event will take place on Friday, August 28th. Proceeds raised from the event benefit the Cystic Fibrosis Foundation. The race begins at North Grand Mall, heads west on 30th Street to Hoover Avenue, north on Hoover to Top-O-Hollow Road, and down Dawes Drive. The route returns up Hoover and concludes at the mall off of 30th Street. A map and letter from the organizers is attached.

The race is in its ninth year and continues to be a popular event. Event organizers are asking for the closure of Bloomington westbound, from Roy Key Avenue to Hoover Avenue, and Bloomington eastbound, from Hoover Avenue to Roy Key Avenue. Closure of a small portion of Roy Key Avenue from Bloomington to Top-O-Hollow would also be necessary to prevent motorists from detouring onto Top-O-Hollow, where participants will be running. The closures are expected to last from approximately 7:00 p.m. to 7:45 p.m.

City staff has met with race organizers to discuss plans for the event. The Public Works Department will provide safety vests, cones, and No Parking signs, as has been done in previous years. The Police Department has assisted with this event in the past, and at least one off-duty officer will be present to volunteer at the intersection of Bloomington and Hoover. The Police Department is requiring organizers to hire one Community Safety Officer for the closure at Bloomington and Roy Key.

CyRide has been contacted about the potential closure, and organizers will work with CyRide staff to ensure that the buses are not delayed.

ALTERNATIVES:

- 1. Approve the road closures for Captain Midnight's Run for Cystic Fibrosis as submitted by the event organizers.
- 2. Do not approve these requests.

MANAGER'S RECOMMENDED ACTION:

This is a successful and well-managed event that provides our citizens with another opportunity to enjoy family-oriented outdoor activities.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, thereby approving the requests as submitted by the Cystic Fibrosis Foundation.

SUMMARY OF EVENT
