Diane – thanks for speaking with me yesterday. As we discussed, due to the lateness in the season and the changing weather conditions, we'd like to request either (a) the combination of the 2nd and 3rd readings of the Rose Prairie rezoning, or (b) the waiver of the 3rd reading thereof at the next Ames City Council meeting on October 25. That would allow the developer to perform at least some work developing the property prior to the season change. This shouldn't be an issue given the lack of objections and the 6-0 vote to approve. Please let me know if you have any questions, and thanks in advance for your cooperation.

Respectfully,
