

COUNCIL ACTION FORM

**SUBJECT: 2017/18 COLLECTOR STREET PAVEMENT IMPROVEMENTS—
MEADOWLANE AVENUE (CARR DRIVE TO E 20TH STREET)**

BACKGROUND:

This annual program is for reconstruction or rehabilitation of collector streets. **The 2017/18 program location is Meadowlane Avenue (Carr Drive to E 20th Street).**

This project includes the replacement of the existing street pavement with 7 inches of new concrete pavement, upgraded pedestrian facilities to meet the current federal regulations as well as storm and sanitary sewer spot repairs and replacements. Staff held a public meeting to obtain input on staging, construction timing and special access needs. Comments were received and incorporated into the project design.

Staff has completed plans and specifications for this contract with total estimated construction costs of \$741,800.22. Engineering and construction administration expenses are estimated at \$111,270, bringing the **total estimated costs to \$853,070.22.**

The Collector Street Pavement Improvements are shown in the 2017/18 Capital Improvement Plan with **\$950,000.00 in G.O. bond funding.**

ALTERNATIVES:

1. Approve the plans and specifications for the 2017/18 Collector Street Pavement Improvements project and establish April 4, 2018, as the date of letting and April 10, 2018, as the date for report of bids.
2. Do not approve this project.

MANAGER'S RECOMMENDED ACTION:

The condition of the existing pavement for this stretch of Meadowlane Avenue has deteriorated such that full pavement replacement is necessary. The project will incorporate updates to the existing storm sewer, sanitary sewer, and the latest ADA sidewalk compliance. This project was designed in accordance with the latest specifications and the engineer's estimate is below the Capital Improvement Plan funding amount.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternate No. 1, as noted above.
