

COUNCIL ACTION FORM

SUBJECT: RESOLUTION EXTENDING THE EXPIRATION DATE OF THE CURRENT AMES URBAN FRINGE PLAN (AUFPP) 28E AGREEMENT BY ONE YEAR.

BACKGROUND:

On February 18, 2020, Story County Board of Supervisors passed Resolution #20-64 “acting on support of the current Ames Urban Fringe Plan (AUFPP), extending the current Ames Urban Fringe Plan (AUFPP) 28E Agreement, and acknowledging interest in working with jurisdictions to amend goals and policies of the future AUFPP.” **The Fringe Plan and 28E related to the 2-mile extraterritorial area around the City where the City of Ames has subdivision authority based upon the Code of Iowa.** As part of Council communications on March 10, 2020, the City Council directed staff to place County’s request for Ames to adopt a similar resolution be placed on a future agenda.

The original AUFPP 28E Agreement was adopted on July 11, 2011 (Attachment ‘A’). It was able to automatically renew for one five-year period and currently expires on July 11, 2021. The Agreement includes provisions for amending the Plan and the agreement, automatic extensions, and termination. Staff has determined that extending the 28E is covered by Section 7 of the agreement as an amendment.

Story County’s intent with the one-year extension proposal is to allow current processes for development review within the fringe area to continue while allowing time to work on goals and policy amendments to the future AUFPP. Gilbert has adopted a similar resolution.

28E AGREEMENT

The 28E Agreement was developed to implement the Ames Urban Fringe Plan. It is a cooperative agreement between Ames, Gilbert and Story County. The 28E Agreement defines the role of each party in reviewing proposed subdivisions in the fringe area and agrees to consistent planning objectives to manage development and preserve natural resources and prime agricultural land. **As a result, it provides customers and property owners a more streamlined process for approval of these divisions. Jurisdictions are still able to provide recommendations during subdivision approval for any needed infrastructure.**

If the 28E Agreement expires, the Urban Fringe Plan would remain in place as adopted by the City as its land use policy for the 2-mile area surrounding the City. However, there would be no agreement on how to jointly administer land use and subdivision review in the 2-mile area around the City and the City would assume full

subdivision authority over all types of divisions and the County would have independent zoning authority and also subdivision review. Each jurisdiction would proceed in more of an ad-hoc manner, administering subdivision review and eliminating the current stream-lined process.

ALTERNATIVES:

1. The City Council can approve a Resolution amending the expiration date of the AUFPP 28E Agreement by one year to July 11, 2022, based upon Section 7 of the Agreement.
2. The City Council can approve alternative language for the proposed Resolution.
3. The City Council can request additional information and defer making a recommendation.

CITY MANAGER’S RECOMMENDED ACTION:

Adoption of the Resolution allowing an extension is beneficial to the City of Ames, given the status of the Ames Plan 2040 and its timeline for adoption. This allows for additional time to approve Plan 2040 and then to discuss the policy implications related to management of the 2- mile fringe area around the City. In the event the extension is not desirable through July 2022, the City can still exercise an option to terminate the agreement or request a lengthier extension.

Therefore, it is the recommendation of the City Manager that the City Council approve Alternative #1 as described above.

**AMES URBAN FRINGE
 JOINT AND COOPERATIVE AGREEMENT
 [Pursuant to Code of Iowa, Chapter 28E]**

This Joint and Cooperative Agreement (hereinafter referred to as the "Agreement") is entered into pursuant to the authority of the *Code of Iowa*, Chapter 28E on this 11 day of July, 2011 by and between Story County, Iowa, (hereinafter referred to as "County"); the City of Ames, Iowa (hereinafter referred to as "Ames"); and the City of Gilbert, Iowa (hereinafter referred to as "Gilbert"). The two cities shall be referred to hereinafter collectively as "Cities", and all three entities collectively as the "Cooperators".

WHEREAS, continued growth and development within the two mile extraterritorial jurisdiction area of Ames requires increased coordination among the Cooperators to achieve better land use management and control of development within the area; and

WHEREAS, the two mile extraterritorial jurisdiction area of Gilbert overlaps into significant portions of the Fringe Area; and

WHEREAS, the councils of Cities have previously asserted the two mile extraterritorial jurisdiction over land divisions available to them pursuant to the *Code of Iowa*, Chapter 354; and

WHEREAS, the long range, comprehensive planning documents of each Cooperator establish goals and policies that promote the rational and efficient development of land in furtherance of the social and economic well-being of its respective citizens; and

WHEREAS, the governing bodies of Cooperators have determined that the best method for achieving such rational and efficient development is through a coordinated program of inter-jurisdictional land use planning; and

WHEREAS, the provisions of the *Code of Iowa*, Chapter 28E were adopted to facilitate such inter-jurisdictional cooperative efforts; and

WHEREAS, the Cooperators have heretofore developed and approved in July of 2006, pursuant to public notice, hearing and decision, a document entitled "Ames Urban Fringe Plan" (hereinafter referred to as "Plan") that sets forth specific understandings, goals and policies to guide and control the future development of the fringe area; and

WHEREAS, the Cooperators now seek to provide a legal mechanism for the implementation of the Plan through the adoption of this Agreement; and

WHEREAS, each Cooperator has determined, and deems, that it is in the best interests of the Cooperator and the most efficient use of the Cooperator's power and authority with respect to land use planning within the Fringe Area, that the County and Cities enter into this Agreement pursuant to the provisions of the *Code of Iowa*, Chapter 28E.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

Section 1. Compliance with the Plan

The Cooperators agree to observe, follow, and comply with all policies for development in the Fringe Area as set forth in the Plan, and its approved attachments, including the Land Use Classes Map and the Land Use Framework Map, in establishing and amending land use regulations within the territory of the Fringe Area.

Section 2. Reference to Planning Documents

The Plan and its accompanying maps, approved July, 2006, and as subsequently amended, are hereby adopted as the guiding documents for development in the Fringe Area.

Section 3. Protecting Agricultural Operations

It is agreed and understood by the Cooperators that neither this Agreement, nor any policy set forth in the Plan, shall interfere with the agricultural exemption as provided by *Code of Iowa*, Section 335.2.

Section 4. Fringe Area Boundary

The area within which this Agreement shall be known as the Ames Urban Fringe as specifically established by the Plan. It may also be known as the Fringe Area or Planning Area.

Section 5. Administration of the Plan

It is the purpose of this Agreement to provide for an alternative, and more efficient, method for the regulation and processing of development within the Fringe Area. To achieve this purpose, Cities and County agree that each will waive the exercise of some portion of its otherwise existing land use authority in order to facilitate the operation of this Agreement in the manner hereinafter set forth in this Section 5. Where an existing land use authority is not specifically referenced in this Section 5, it shall continue to be normally exercised unless it would render one or more of the following subsections inoperative, in which case it shall be deemed to be waived to the extent necessary to give effect to any subsection hereof. In any instance when a Cooperator seeks to exercise its land use authority, including but not limited to Conceptual Reviews,

Annexations, Change of Zone, and Sketch Plans, in the Fringe Area, it shall notify the other Cooperators within ten (10) days of submittal of an application for such action.

5.1 County Zoning Regulations:

5.1.1 **Story County Land Development Regulations.** Zoning regulations for unincorporated Story County are under the authority of Story County through the adoption of the *Story County Land Development Regulations* and the provisions of *Code of Iowa*, Chapter 335.

5.1.1.1 Nothing in this Agreement shall be construed or applied to limit the County's legislative authority or discretion in adopting or amending its land use regulations.

5.1.1.2 The A-2, Agribusiness Zoning District, defined in the *Story County Land Development Regulations*, is intended and designed to provide for those activities strongly interrelated with agricultural uses and must therefore be located in agricultural areas. While the Plan recognizes that there are industrial and commercial land uses which are dependent on proximity to local agricultural land uses and which are essential to the continued feasibility of farming in the County, it furthermore seeks to strategically locate such uses. With the growth of the agri-business and agri-technology industries, the Cooperators agree that the intensities of uses allowed in the A-2 Zoning District could escalate beyond what each of the Cooperators may have individually envisioned or intended for identified agricultural areas. Further, the Plan creates Planned Industrial and Industrial Reserve areas in which the Cooperators will invest or have invested in infrastructure to accommodate more intense uses. Some uses in the A-2 Zoning District are incompatible with the Agriculture and Farm Services designation in the Plan. Therefore, the County agrees to limit the intensity of uses allowed within the A-2 Zoning District outside of said Planned Industrial and Industrial Reserve areas through Conditional Rezoning Agreements that allow all permitted uses in the A-2 Zoning District except the storage, retail or wholesale marketing, or processing of agricultural products into a value added agricultural product.

5.1.2 **Official Zoning Map of Story County, Iowa.** Amendments to the Official Zoning Map of Story County, Iowa within the Fringe Area shall conform to the goals and policies set forth in the Plan and the Land Use Framework Map.

5.1.2.1. All applications for amending the Official Zoning Map of Story County, Iowa will be processed in accordance with the requirements set forth in the *Story County Land Development Regulations*.

5.1.2.2. County shall not take action on any request to amend the Official Zoning Map of Story County, Iowa, within the Fringe Area when such request is accompanied by a request to amend the Plan.

5.1.2.2.1 Such request to amend the Plan shall be acted upon by all Cooperators as provided for in Section 6.2 of this Agreement prior to action by the County on an amendment to the Official Zoning Map of Story County, Iowa.

5.1.3 **Non-conforming Properties.** Properties zoned a classification inconsistent with this Agreement or the Plan as determined by the Cooperators, as of the date this Agreement is executed, shall not be deemed to be in violation of this Agreement or the Plan, as long as such zoning remains in effect on the property.

5.2 Subdivision Regulations:

- 5.2.1 **Rural Service and Agricultural Conservation Area Designation.** In areas designated Rural Service and Agricultural Conservation Area in the Plan, Cities agree to waive the exercise of their extra-territorial subdivision authority and application of their respective related design and improvement standards.
- 5.2.2 **Rural/Urban Transition Area Designation.** In areas designated Rural/Urban Transition Area in the Plan, Cooperators shall apply Subdivision Review Procedures as described in Attachment A. However, Agricultural Subdivisions in the Rural/Urban Transitional Area shall be processed solely by the County.
- 5.2.3 **Urban Service Areas Designation.** In areas designated Urban Services Area in the Plan, County agrees to waive the exercise of its subdivision authority.

5.3 Annexation:

- 5.3.1 **Planning Area Boundary.** In consideration of the fact that annexation has the effect of extending the two-mile extraterritorial subdivision plat review area as defined by the Code of Iowa beyond the Planning Area Boundary defined in the Plan, Cooperators understand and agree that Cities shall waive their extra-territorial jurisdiction in such extended area, and that County shall approve pursuant to such waiver and within such extended area, only those subdivisions meeting the definition of Agricultural Subdivisions, which shall be so designated on the face of each Final Plat. Alternatively, a property owner may request the Cooperators to amend the Plan to extend the Planning Area. Such request shall be processed as provided for in Section 6 of this Agreement.
- 5.3.2 **Annexation in Accordance with Plan.** Cities agree to annex territory in accordance with the goals and policy statements set forth in the Plan.
- 5.3.3 **Annexation of Property within the Rural Service and Agricultural Conservation Areas.** In areas designated Rural Service and Agricultural Conservation Area in the Plan, Cities shall not review annexation requests until such time the Plan has been amended to designate such property as Urban Service Area and then such annexation processed in accordance with this Agreement.
- 5.3.4 **Annexation of Property within the Rural/Urban Transition Areas** In areas designated Rural/Urban Transition Area in the Plan, Cities shall not review annexation requests until such time the Plan has been amended to designate such property as Urban Service Area and then such annexation processed in accordance with this Agreement.
- 5.3.5 **Annexation of Property within the Urban Service Area.** It is the Cooperators' intent that Cities will annex all property within the Urban Service Area. Such annexation will occur only after Cities gives full consideration to comprehensive plan policies, degree of contiguity to the City limits, proximity to existing City services, the cost of extending City services, the fiscal impact and funding sources for providing City services, and the development needs of the City.

- 5.3.6 **Annexation of Right-of-Way.** When undertaking any annexation of land within the Fringe Area, Cities shall annex the entire width of public rights-of-way located within and immediately adjacent to such lands.

Subdivision Review Procedures – Rural/Urban Transition Area Land Use Class

The Cities and County all have established subdivision review and approval and, for the Cities, have extended that review and approval outside its boundaries in accordance with Code of Iowa 354.9 and as amended. In establishing a process for subdivision review in the Rural/Urban Transitional Area Land Use Class, the three jurisdictions acknowledge the primacy of the Cities' interests in regulating development in areas that the Cities may, at some future moment, annex. Therefore, the Cities are tasked with giving primary review and, if appropriate, approval of any proposed division of land, except for Agricultural Subdivisions, which shall remain the sole province of the County.

As noted in Section 5.2.1 of this agreement, Cities agree to waive their subdivision review authority in areas designated Rural Service and Agricultural Conservation Area in the Plan. And as noted in Section 5.2.3 of this agreement, County agrees to waive its subdivision review authority in areas designated Urban Services Area in the Plan.

1. City Sketch Plan application form submitted to the closer City.
2. Sketch Plan review by City and County staff and determination as to whether the proposed division is a Major, Minor, or Agricultural Plat or whether the division can be allowed by Plat of Survey.
3. If a Major Subdivision Plat, follow City's Preliminary Plat process through to City Council decision. Plat is then forwarded to the County for action. Final Plat follows City's Major Final Plat process through to City Council decision. Plat is then forwarded to the County for action.
4. If a Minor Subdivision Plat, follow City's Minor Final Plat process through to City Council decision. Plat is then forwarded to the County for action.
5. If an Agricultural Plat, follow County's Agricultural Plat process through to Board of Supervisor's decision. No action by the City is required.
6. If a Plat of Survey, follow City's Plat of Survey process through to City Council decision. Plat is then forwarded to the County for action.
