Subject: SCEDG Appointed Representative Form
Attachments: Ames FY2021 SCEDG Appointed Representatives Form.pdf

This form is submitted annually prior to the start of the new FY and simply states who can represent the City of Ames/AEDC at the SCEDG meetings. For FY2021, it will be Dan Culhane and Amy Howard. They will need to attend 3 of the 4 meetings of the group throughout the year to ensure the AEDC receives the per capita allocation from the Story County Board of Supervisors for FY2021 (always do and have always received the funds). This group has been around for 25-years, and Ames has always had representation and met the eligibility parameters to receive economic development funds from the County, and submitting the form as submitted will ensure we continue to do so in FY2021. Thanks!
