COUNCIL ACTION FORM

SUBJECT: REQUESTS FOR MIDNIGHT MADNESS

BACKGROUND:

The annual Midnight Madness races will be held at Ames Fitness Center South (ISU Research Park) on Saturday, July 8. The event includes 5k, 10k, and kid runs, followed by activities at Ames Fitness Center South. An estimated 600 people will enter all races and approximately 800 spectators will be at the event.

Organizers are requesting the following partial street closures from on Saturday, July 8.

- Collaboration Place Road to S Riverside Drive (north side lane)
- S Riverside Drive North to Airport Road (west side lane)
- Airport Road between S Riverside Drive & South Loop Drive (south side of east bound traffic)
- South Loop Drive (east side of road)
- University Blvd from Cottonwood Rd to Collaboration Place (east side of road)

City staff will provide barricades and traffic cones to facilitate this event, blocking a dedicated running lane while allowing vehicle traffic to continue using other lanes.

Midnight Madness organizers have also obtained a Noise Permit for this event. Event organizers will clean up the event on Saturday night, with cleanup being completed by 11:00 P.M.

ALTERNATIVES:

- 1. Approve the requests for Midnight Madness on July 8, 2023, as outlined above.
- 2. Do not approve the requests for Midnight Madness.

CITY'S MANAGER'S RECOMMENDED ACTION:

Midnight Madness has been held since 1979 and is a popular event that draws many competitors and spectators from a wide area to Ames. There have been no significant problems in the past with the arrangements requested above.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative #1, as described above.
