A review of police record for the past 12 months found Southgate Wine & Spirits failed one compliance check. Southgate Wine & Spirits passed two other compliance checks; one before the failed compliance check and one after the failed compliance check. The Ames Police Department will continue to monitor their performance. We recommend their employees attend the ID training, the I-PACT training provided by the State of Iowa, and conduct their own compliance checks. The Ames Police Department recommends the license renewal for this business.
