Subject: Kosshu Delegates Student Scholarships

[External Email]

Dear Mayor Haila,

The AIPCA has chosen two students to receive scholarships to participate in the youth delegation to our sister city of Kosshu, Japan in July. Both students were chosen because they are on the free/reduced meal plan at the Ames Middle School. We used that as a measure of need. Our travel agent has locked in our reservation for the flight and one night in a hotel at \$2700 per student. I kindly request \$5400 from the City of Ames to cover the cost of the two scholarships. Thank you very much for supporting the AIPCA and the middle school delegation. We are very appreciative.

Warm Regards,

Cynthia Hicks
