**Subject:** dispatcher said its okay to mow all night long

[External Email]

Yeah when I called up to the police department to complain about someone mowing after dark they said that was fine (Thursday 5/9). 9 pm - 10 pm.

If its fine to mow all night long why don't you give me your address Mayor and the Chief of Police and I'll bring my mower by and run it up for about an hour? How's that sound?

Since its perfectly legal and all huh?
