

**COUNCIL ACTION FORM**

**SUBJECT: 2008/09 CYRIDE ROUTE PAVEMENT IMPROVEMENTS  
(TORONTO STREET AND HUTCHISON STREET)**

**BACKGROUND:**

This is the 2008/09 annual program for pavement improvements to streets that are bus routes. These streets were designed and built for lighter residential traffic. With these streets designated as bus routes, accelerated deterioration of the street pavement has occurred. Pavement improvements will restore street sections to carry projected traffic volumes.

The 2008/09 project locations are Toronto Street (Florida Avenue to North Dakota Avenue) and Hutchison Street (Florida Avenue to North Dakota Avenue). The project will consist of reconstruction of the roadways with seven-inch Portland concrete cement paving.

On Wednesday, July 8, 2009, bids were received as follows:

<u>Bidder</u>	<u>Amount</u>
Engineer's Estimate	\$515,257.00
Con-Struct, Inc.	\$399,342.00
Concrete Technologies, Inc.	\$479,880.80
Manatt's, Inc.	\$487,290.55

Engineering and construction administration fees are estimated at \$100,000. This brings total estimated costs to \$499,342. The project is shown in the 2008/09 Capital Improvements Plan (CIP) with financing established in the amount of \$1,000,000 from General Obligation Bonds. Remaining funds will be used for the additional location of Northwestern Avenue from 28<sup>th</sup> Street to 30<sup>th</sup> Street as shown in the approved budget.

This project will also use \$2,800 of 2006/07 Pedestrian Walkway Program funds to complete the sidewalk on the west side of North Dakota Avenue from Toronto Street to Reliable Street. This project was shown in the CIP in the amount of \$140,000. All remaining funds will be used to complete the other location shown, which is the east side of South Dakota Avenue from Lincoln Way to 400 South Dakota Avenue.

**ALTERNATIVES:**

- 1a. Accept the report of bids for the 2008/09 CyRide Route Pavement Improvements (Toronto Street and Hutchinson Street) project.

- b. Approve the final plans and specifications for the 2008/09 CyRide Route Pavement Improvements (Toronto Street and Hutchinson Street) project.
  - c. Award the 2008/09 CyRide Route Pavement Improvements (Toronto Street and Hutchinson Street) project to Con-Struct, Inc., of Ames, Iowa, in the amount of \$399,342.
2. Reject the project.

**MANAGER'S RECOMMENDED ACTION:**

Very favorable bids were received on this project. By approving the project it will be possible to restore the structural integrity of the designated streets with construction to be completed by summer 2010.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, thereby accepting the report of bids, approving the final plans and specifications, and awarding the 2008/09 CyRide Route Pavement Improvements (Toronto Street and Hutchinson Street) project to Con-Struct, Inc., of Ames, Iowa, in the amount of \$399,342.
