

Memo

City Clerk's Office

TO: City Council

FROM: Tracy Warner, Municipal Engineer

DATE: September 4, 2009

SUBJECT: Item No. 42b: Hearing on Vacating Public Utility Easements in Estates of Nature's Crossing Subdivision

Notice of hearing for vacating public utility easements in Lots 4, 5, 6, and 7 in the Estates of Nature's Crossing has been published. However, the Final Plat for the above-named Subdivision has not been filed with the City, and the developer is requesting that the hearing on vacating the easements be continued. Therefore, the City Council is asked to continue the hearing on this subject until its next regular meeting.
