**COUNCIL ACTION FORM**

**SUBJECT: SOUTH DAYTON PLACE PARKING REGULATIONS**

**BACKGROUND:**

As of July 30, 2009, South Dayton Avenue was realigned starting just south of Southeast 5<sup>th</sup> Street to connect with the interchange of U.S. Highway 30 and South Dayton Avenue. Concurrently, the remaining portion of what was old South Dayton Avenue was renamed South Dayton Place.

In response to this change, the City will need to establish parking regulations along South Dayton Place to ensure the ongoing operational safety of the street. Therefore, it is recommended that parking be prohibited on both sides of South Dayton Place from its intersection with South Dayton Avenue to its southern terminus.

**ALTERNATIVES:**

1. Direct the City Attorney to draft an ordinance establishing parking regulations for South Dayton Place, thereby prohibiting parking on both sides of South Dayton Place from its intersection with South Dayton Avenue to its southern terminus.
2. Reject the proposed ordinance.

**MANAGER'S RECOMMENDED ACTION:**

Creation of parking regulations will ensure the continued safe and efficient operation of South Dayton Place as it was when it was South Dayton Avenue. Although it is no longer the main thoroughfare in the area, it still serves as an important link to the new South Dayton Avenue.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, directing the City Attorney to draft an ordinance establishing parking regulations for South Dayton Place, thereby prohibiting parking on both sides of South Dayton Place from its intersection with South Dayton Avenue to its southern terminus.
