Re: Corrective amendment to Ames Municipal Code Appendix G – Fire Lane Designations

Dear Mayor and Members of the City Council:

The City has by resolution adopted several appendices to the City Code. Among these is Appendix G, which has the locations of Fire lanes designated throughout the city by the Fire Chief. The Fire Chief is authorized to designate these pursuant to the provisions of Ames Municipal Code Chapter 8- Fire Code, Section 8.101, and Appendix G contains a cross reference to that provision of Chapter 8.

During a recent review of Appendix G, staff noticed that there had been a typographical error in Appendix G's reference to the corresponding provision of Chapter 8. It currently reads that it is pursuant to "Section 8.105", and the correct reference should be to "Section 8.101". Your adoption of the attached resolution is requested, so that this error may be corrected.

Sincerely,

A handwritten signature in black ink, appearing to read 'Judy K. Parks', is written above the typed name.

Judy K. Parks  
Assistant City Attorney

c: Shawn Bayouth, Asst Fire Chief  
Tom Henriksen, Fire Inspector
