June 4, 2010

Honorable Mayor and Council Members
City of Ames
Ames, Iowa 50010

Ladies and Gentlemen:

I hereby certify that the utilities and street construction required as a condition for approval of the final plat of Somerset 22nd Addition have been completed in an acceptable manner by Halbrook and Manatt's, Inc. The above-mentioned improvements have been inspected by the Engineering Division of the Public Works Department of the City of Ames, Iowa and found to meet City Specifications and Standards. This letter also certifies that the lighting requirements, as established by City of Ames Electric Department, have been completed.

As a result of this Certification, it is recommended that the financial security for public improvements, on file with the City for this subdivision be released in full.

Sincerely,

Tracy Warner, P.E.
Acting Public Works Director
City of Ames
