City Manager's Office

26

TO: Mayor and City Council

FROM: Bob Kindred, Assistant City Manager

DATE: July 23, 2010

SUBJECT: Update on Storm Damage

At Tuesday's night Council meeting, staff will give you a verbal briefing on our progress addressing the damage from last Sunday's wind storm. This will include a summary of the costs and impact of the storm on our electric distribution system, as well as the costs and our anticipated timeline to collect and dispose of the limbs placed along streets throughout the community.
