TO: Mayor and City Council
FROM: Roger Wisecup, CPA *(N)*
City Treasurer
DATE: August 10, 2010
SUBJECT: Investment Report for Fiscal Year Ending June 30, 2010

Introduction

The purpose of this memorandum is to present a report summarizing the performance of the City of Ames investment portfolio for the fiscal year ending June 30, 2010.

Discussion

This report covers the period ending June 30, 2010 and presents a summary of the investments on hand at the end of June 2010. The investments are valued at amortized cost; this reflects the same basis that the assets are carried on the financial records of the City. All investments are in compliance with the current Investment Policy.

Comments

In the past twelve months, the Federal Reserve has maintained its target for federal funds at zero to 0.25 percent. While the yield curve has a normal shape, rates are at historic lows. This means that future investments will be made at lower rates and future interest income will decrease. The current outlook has the Federal Reserve maintaining the target rate further into 2010 and beyond. Therefore, we will maintain our investment strategy, extending some investments maturities to the twelve months and longer range.

A brief comparison of fiscal year 2009 to fiscal year 2010 follows:

	FY09	FY10	Decrease
Interest Income	\$2,623,148	\$1,342,735	\$1,280,413
Portfolio Effective Rate of Return	2.06%	1.28%
