

Memo

TO: Mayor and City Council

FROM: Diane Voss, City Clerk

DATE: February 18, 2011

SUBJECT: Conference Board Item #4

The County and City Attorneys have been working on finalizing the Intergovernmental Agreement regarding MAPs and GIS funding. To date, other City staff members have not had an opportunity to review it to determine if there will be any financial impacts on the City. Hopefully, this review will be completed prior to your consideration on February 22, 2011.
