City Manager's Office

**TO:** Mayor and City Council

**FROM:** Bob Kindred, Assistant City Manager

**DATE:** February 25, 2011

**SUBJECT:** City Hall Heat Pump Replacement Project

At your February 22 meeting Council accepted bids for the City Hall Heat Pump Replacement Project. Council had previously set April 12 as a date of public hearing on this project.

Staff now requests that Council rescind the April 12 date, and set March 8, 2011 as the date of public hearing on this project. This will allow the project to move forward expeditiously and avoid any potential loss of funding due to rescissions of federal funding for stimulus projects.
