Once signed by the Planning & Housing Director, the prepared plat of survey may then be signed by the surveyor, making it the official plat of survey, which may then be recorded in the office of the County Recorder.

It should be noted that the official plat of survey is not recognized as a binding plat of survey for permitting purposes until a copy of the signed and recorded plat of survey is filed with the Ames City Clerk's office and a digital image in Adobe PDF format has been submitted to the Planning & Housing Department.
