

**COUNCIL ACTION FORM**

**SUBJECT: GOVERNOR'S TRAFFIC SAFETY BUREAU ENFORCEMENT GRANT**

**BACKGROUND:**

The Ames Police Department is again requesting permission to apply for funding from the Governor's Traffic Safety Bureau to support additional overtime traffic enforcement, and to participate in the project should funding be awarded. The program is conducted through the Governor's Traffic Safety Bureau in cooperation with local and county law enforcement agencies to address traffic safety problems including alcohol, excessive speed, motorcycle and bicycle safety, and vehicle occupant protection. The program is designed with both enforcement and educational components to improve driver safety and protection, reduce impaired driving and enhance overall traffic safety. The Ames Police Department has participated in similar annual programs in the past.

This grant will support additional traffic enforcement during periods of high risk for impaired driving, excessive speed and crashes. The officers conducting this intensified traffic enforcement will be added to the normal staffing levels for the Police Department, and will work on an overtime basis. The areas in which these officers work will be selected on the basis of citizen complaints, officer observations and traffic incident data.

The grant application would request \$32,000 in funding for the following uses:

- To pay officers at an overtime rate,
- To replace an in-car video camera, a radar unit and a preliminary breath test device, and
- To fund acquisition of educational materials on traffic safety.

**There is no local match required with this grant.**

**ALTERNATIVES:**

1. Approve the Police Department's application for and participation in the Governor's Traffic Safety Bureau Enforcement Grant program.
2. Do not approve this application.

**MANAGER'S RECOMMENDED ACTION:**

Participation in this program allows our Police Department to devote additional resources to traffic safety without additional local costs. These funds help reduce traffic violations and improve traffic safety for the citizens of Ames.

Therefore, it is the recommendation of the City Manager that the City Council approve alternative #1, authorizing the submission of a grant application for \$32,000 and participation in this program of the Governor's Traffic Safety Bureau.
