TO: Members of the City Council

SUBJECT: Appointments to City Boards and Commissions

Attached you'll find a listing of the City's various boards/commissions that have upcoming vacancies and the names of individuals I have selected to fill them. Those with an asterisk (*) by them are names of individuals who are currently serving and are eligible to be reappointed. I am requesting your approval of these appointments.

I was pleased that so many residents applied this year for the open positions. In order to evaluate each candidate, the selection process included careful review of each application, meeting with Brian Phillips, and/or the respective department heads who work with a board or commission. Additionally, in some cases, telephone interviews of applicants were also conducted.

I'm also pleased that we are able to broaden the heritage of board and commission members. Each year, I will continue to seek individuals from a variety of ethnicities in order to have representation of various cultures who call Ames home!

In the event you have any questions on one or several of the applicants, please let me know. Amy Colwell has all appointee applications on file should you wish to review them.
