Diane and Brian,

Please find Alliant's annual community partnership recap attached to include (if necessary) in council packets for an upcoming council meeting. I would be happy to present this in person in front of council as a part of the agenda if you'd like, although I don't know that's ever been requested or needed in the past. I'll let you make the call.

Have a great day and let me know if there is anything I can help with !

Mason
