Council Appointee Compensation 19_20 Worksheet(1).xls

Tim Gartin and I were appointed as the team to lead the evaluation of the City Manager and City Attorney for the first half of the fiscal year and Bronwyn and I served the remainder of the year. Based on quarterly meetings with Steve and Mark and after reviewing it with both of them, we are recommending that the City Manager and City Attorney each receive a 3% increase in their salaries beginning July 1, 2019. This recommendation will increase Steve's salary to \$220,032 and Mark's to \$137,917."

This will be on next week's agenda for approval. I have included the worksheet provided by staff.

Thanks.
Amber
