Diane,

Please include this on disposition of communications to council list for next Tuesday night.

Michael, in the event council is interested in asking staff to look into ordinance changes and/or the issue, it will be referred by council to staff through this process. Thanks for writing and bringing this issue to our attention.

John A. Haila

Subject: City Statutes

Dear Sir:

Back in March I contacted you with concerns about the property next door to me, 222 21st Street. I indicated that in my opinion the city statutes needed a review. Once again, I would ask that you initiate a review of those statutes regarding residential upkeep.

Matt Stern contacted me earlier this week and told me the case concerning 222 21st Street had been closed a couple of weeks earlier because it now met compliance standards. I am attaching photographs that I took this afternoon. John, I am sure that you would not want the residence next door to you to appear like the one next to me. Please help!

Sincerely,
Michael Gaston
