01/08/2020 11:18 AM

The Council did receive your request on January 3, 2020; however, took no action on it last night. I am sending it out again in hopes that it will be referred back to staff at this Saturday's Council Goal-Setting Meeting. I have requested Steve Schainker, City Manager, to also bring it to their attention at Saturday's session.

Diane Voss, City Clerk/Records Manager

Subject: RE: Disposition of Communications to Ames City Council

Good morning Diane! I am just following up with last night's Ames City Council meeting. Was the Papa's Truck and Repair item under Disposition of Communications to Ames City Council moved on to staff for review?
