ITEM # <u>21</u> DATE: 06-09-20

COUNCIL ACTION FORM

SUBJECT: RENEWAL OF CONTRACT ELECTRIC DISTRIBUTION LINE CLEARANCE PROGRAM

BACKGROUND:

This contract includes nearly all of the requirements for tree trimming services for Electric Services as part of the Line Clearance Program during the 2019/20, 2020/21 and 2021/22 fiscal years. Prices for equipment rates and miscellaneous charges are firm throughout the first two years of the contract period and are to be adjusted for FY 2021/22 based on a percentage of increase included in the original bid. Labor rates are to be adjusted for FY 2020/21 and FY2021/22 based on a percentage of increase included in the original bid.

On May 28, 2019, City Council awarded a contract to Wright Tree Services, Des Moines, IA, for these tree trimming services. This contract contained the option to renew the contract for two additional one-year periods. The period from July 1, 2020 through June 30, 2021, is the first renewal period subject to Council approval of funding for the Line Clearance Program. There is a rate provision under this contract that increases rates at fixed percentages above the previous fiscal year's contracted rates at time of renewal. The annual rate increase for this contract period is 3% for labor and 0% for equipment. These increases are in accordance with the contract terms initially established.

The approved operating budget for FY 2020/21 includes \$337,260 for this program. Services provided under this contract are monitored by Electric Services staff to ensure that expenditures are performed properly and are in accordance with the approved funding level. Invoices are based on unit prices bid and services actually received and accepted by the City.

ALTERNATIVES:

- 1) Award the contract for the FY2020/21 Electric Distribution Line Clearance Program to Wright Tree Services, Des Moines, IA, for hourly rates and unit prices bid, in an amount not to exceed \$337,260, subject to receipt of the required performance bond.
- 2) Reject all bids and attempt to obtain the required services on an as-needed basis.

MANAGER'S RECOMMENDED ACTION:

An on-going tree trimming program helps mitigate the number of customer interruptions resulting from extreme weather events. Alternative No. 1 establishes a fixed price contract for performance of the required tree trimming services at the best price, obtained via the competitive sealed bid process. It has proven to be very cost—effective to have a company under contract to provide these services.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1 as stated above.
