Dear Dickson:

On behalf of the Ames City Council I want to thank you for your generous offer to help fund a pool of money to purchase gift cards to reward those in our community who are abiding by our mandatory face covering ordinance. Given all that the City is dealing with at this time, we believe it would be more effective if you would pursue your idea with the Chamber of Commerce. They recently concluded a similar program to promote area businesses during the pandemic and, therefore, they are geared up to administer such a program.

Again, thanks for your willingness to give back to our community!

Sincerely,

John Haila  
Mayor
