

COUNCIL ACTION FORM

SUBJECT: AMENDMENTS TO AMES COMPREHENSIVE HISTORIC PRESERVATION PLAN

BACKGROUND

On March 9, 2021 the City Council reviewed proposed amendments to the Ames Comprehensive Historic Preservation Plan recommended by the Historic Preservation Commission. City staff was directed to revise the Plan in accordance with the City Council discussion at the March 9th meeting. **Changes since the March City Council meeting are shown in “red” type on the attached amendments.**

In the past year, the Historic Preservation Commission (HPC) has reviewed in detail the goals, objectives, and action steps of the *Ames Comprehensive Historic Preservation Plan* that City Council adopted in November 2009. **Following this review, HPC is recommending changes to update, clarify, delete, or add to the goals, objectives, and action steps of the Plan.**

The proposed changes recognize some of the accomplishments since 2009, such as the 2014 rewrite of the Ames Municipal Code Chapter 31- Historic Preservation, and they also reflect the current view of the Commission regarding historic preservation practices and objectives, including a focus on education.

There is a desire on the part of the HPC to provide information to the owners of properties that are potentially historically significant. In addition, the HPC perceives a need to partner with other community organizations to educate the citizens of Ames about the value of preserving the historic structures in our community. Education may take the form of walking tour brochures, digital tour guides, utilizing information available through the Ames History Museum, information gathered through surveys of properties in various neighborhoods, seminars, summits, and information available on the City of Ames website, as well as through the City’s Geographic Information System (GIS) records. The proposed changes reflect these areas of emphasis supported by the Commission.

The *Ames Comprehensive Historic Preservation Plan* includes six (6) goals. Under each goal are objectives and action steps. The goals remain intact except for minor changes shown for Goals #5 and #6, below.

Goal #1: Acknowledge the role of historic preservation in encouraging civic pride, neighborhood identity, economic vitality, and community sustainability.

Goal #2: Promote the preservation of historically, architecturally, and archaeologically significant resources in the community.

Goal #3: Enhance municipal policies to protect historic resources and implement policies through identification, effective legislation, and efficient regulatory

measures.

Goal #4: Educate the public concerning the value and benefit of historic preservation.

Goal #5: Facilitate and strengthen preservation partnerships among municipal, county, state, and federal government agencies, including Iowa State University, Ames ~~Historical Society~~ History Museum, local school districts, and ~~private~~ developers.

Goal #6: Promote the economic development and vitality of the city through historic preservation and heritage tourism.

The more extensive additions and deletions for the objectives and action steps are shown in Attachment A. The Commission requests that City Council formally adopt the proposed amendments to the Plan. City staff consulted with the Commission during its review and supports the proposed changes.

ALTERNATIVES:

1. Approve the proposed amendments to the Ames Comprehensive Historic Preservation Plan (see Attachment A) as recommended by the Ames Historic Preservation Commission and updated by staff, based upon City Council input.
2. Refer the proposed amendments to the Ames Comprehensive Historic Preservation Plan back to the Historic Preservation Commission (HPC) and/or staff for revisions.

CITY MANAGERS RECOMMENDED ACTION:

Amendments to the Plan, as recommended by the Historic Preservation Commission, were discussed at the City Council meeting on March 9, 2021. At that time, input was received by staff from the City Council. Changes suggested by the City Council have been incorporated into the Plan amendments that were originally proposed by the Historic Preservation Commission.

Therefore, it is the recommendation of the City Manager that the City Council approve Alternative #1, as described above.
