AMES City Council,

It has come to my attention the need of the Rose Prairie restoration plan.

It is definitely the proper alternative to a housing development. We need to protect what we already have - Ada Hayden Heritage Park - a jewel; and protecting its water quality is an obvious need.

The Rose Prairie restoration plan is in the best interest of the people of Ames, the park & the future.

I hope to be able to thank you for your vision & support for Rose Prairie.

Sincerely,

Helen F. McRoberts
