To whom it may concern,

My name is Stefanie Day and for the past two years I've been a crossing guard for Sawyer at the intersection of Ontario and Dakota.

There's has been quiet a lot of near misses during school hours. Including this morning when a careless driver came within inches of hitting a 2nd grade student.

I'm writing this email in hopes that you will consider putting in a stop light.

For the sake of the students, their families, and the brave adults who help them; I hope that you will do something to help keep everyone safe.

Thank You,

Stefanie Day
