[External Email]

Hi Diane,

Just following up about the request for a speed study. What steps do I need to take to continue this request?

Thank you!

Hi Ashley!

Can you please send a request to the City Clerk's office asking for staff to conduct a speed study? That will be all we need to start the process. An email is also fine.

Thanks!

Hi there,

I am inquiring about getting a flashing speed limit sign in our neighborhood. We live at [2924 Ridgetop Rd, Ames, IA 50014](#). Cars fly by in our residential neighborhood where many children are playing, riding bikes etc. I've tried to use the green slow down men signs- but not luck. I have four children, one of which is a 1 1/2 year old and I am fearful of the traffic in front of our home.

Is there any way we can start the process of collecting data and speeds to have a dynamic speed sign installed?

Thank you so much.
