

**COUNCIL ACTION FORM**

**SUBJECT: 2019/20 MULTI-MODAL ROADWAY IMPROVEMENTS (MORTENSEN ROAD WEST OF SOUTH DAKOTA AVE)**

**BACKGROUND:**

Multi-modal transportation refers to the various modes used by Ames residents to travel throughout the community. This program is aimed at improving the roadway to create a safer interaction between modes through enhancing crossing visibility at intersections, bike detection, and on-street facilities (e.g. bike lanes, sharrows). **This project installed new accessible ramps at the intersections of Mortensen Road & Miller Avenue and Mortensen Road & Poe Avenue and also removal of the old Cy-Ride turnaround at Miller Avenue including the construction of standard intersection corners at this location.**

On August 25, 2020, City Council awarded the project to Con-Struct, Inc. of Ames, Iowa in the amount of \$65,495.95. Two change orders were administratively approved by staff in the amount of \$12,613.39 to reflect final measured quantities which included adding the reconstruction of the ramp at the NW corner of Mortensen and South Dakota, **bringing the final construction cost to \$78,109.34.**

Revenues and expenses for this project are shown below:
