

COUNCIL ACTION FORM

SUBJECT: 2021/2022 PAVEMENT RESTORATION – SLURRY SEAL PROGRAM

BACKGROUND:

The Slurry Seal Program is an annual program applying a wide variety of preventative and proactive maintenance techniques to preserve and enhance street pavements. The techniques in this program are typically more specialized or larger in scope than can be performed with City maintenance staff. Goals of the Slurry Seal Program are to level joints and provide a new thin wearing surface for traffic, predominately on residential streets with the disruption to residents typically no more than one day.

On January 19, 2022, bids were received as follows:

<i>Bidder</i>	<i>Total Bid Amount</i>
Engineer's estimate	\$265,325.00
Fort Dodge Asphalt Company	\$255,733.75

There is \$250,000 of Road Use Tax funding allocated to this program annually in the Capital Improvement Plan, which along with carryover savings, provides **\$326,632 in total funds available for the project**. Remaining revenue will be utilized for other pavement restoration priorities.

ALTERNATIVES:

1. a. Accept the report of bids for the 2021/22 Pavement Restoration – Slurry Seal Program.
 - b. Approve the final plans and specification for this project.
 - c. Award the 2021/22 Pavement Restoration – Slurry Seal Program to Fort Dodge Asphalt Company of Fort Dodge, IA in the amount of \$255,733.75
2. Direct staff to make changes to this project.

CITY MANAGER'S RECOMMENDED ACTION:

This project, at several locations across the community, will repair and extend the lifespan of the streets and provide a better travelling experience for users of the corridors and for those living in the neighborhoods.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, as noted above.
