COUNCIL ACTION FORM

**SUBJECT: 2021/22 COLLECTOR STREET PAVEMENT IMPROVEMENTS
(HOOVER AVE)**

BACKGROUND:

This annual program utilizes current rehabilitation and reconstruction techniques on streets that are chosen in accordance with the most current street condition inventory. Improving these streets will reduce maintenance needs, allowing for earlier maintenance on other streets to prolong the useful life. **The location for this project is Hoover Ave from 24th St to Top O Hollow Rd.** This project will use both reconstruction and mill and overlay construction methods.

Staff held a public meeting to obtain input on staging, construction timing, and special access needs. Comments were received concerning access needs and drainage issues. These were incorporated into the final project design. All streets in the project limits have existing sidewalk on both sides of the street.

Revenue and expenses associated with this program are estimated as follows:

Funding Source	Available Revenue	Estimated Expenses
2021/22 Collector Street Pavement Improvements	\$2,400,000.00	
Engineering		\$ 310,000.00
Construction		\$2,049,738.08
TOTAL	\$2,400,000.00	\$2,359,738.08

ALTERNATIVES:

1. Approve plans and specifications for the 2021/22 Collector Street Pavement Improvements (Hoover Ave) and establish March 16, 2022, as the date of letting and March 22, 2022, as the date for report of bids.
2. Do not approve this project.

CITY MANAGER'S RECOMMENDED ACTION:

Approving these plans and specifications will allow this project to proceed, improving street conditions and lowering maintenance costs. Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, as described above.
