A review of police records for the past 12 months found 1 liquor law violation. During a compliance check on March 25<sup>th</sup>, 2021, an employee sold alcohol to a minor and was cited accordingly. A follow-up compliance check was completed, and no violations were recorded.

The Police Department will continue to monitor the above location by conducting regular foot patrols, bar checks and by educating staff through training and quarterly meetings. The Ames Police Department recommends license renewal for the above business.
