Mr. White has stated that the events will be located in the rear parking lot. Barricades will consist of two four-foot high construction fences with four feet between them for a security buffer. There will be three entrances/exits used for the events. One will be through the main entrance/exit of Tip Top Lounge, and two will be located in the fenced area. Four security guards will be present for the events. Employees will be stationed to check IDs at each entrance/exit. Four bartenders and a general manager will also be on-site.

Police have reviewed the calls for service from the past year including the event dates from last year, and there were no issues or recent violations that would cause concern. Tip Top Lounge currently holds a Class C Liquor License.
