**COUNCIL ACTION FORM**

**SUBJECT: RENEWAL OF DOWNTOWN RESIDENTIAL OVERNIGHT  
PARKING HANG TAG PROGRAM**

**BACKGROUND:**

On February 8, 2022, the City Council approved a temporary parking program to allow residents in the Downtown Central Business District (CBD) to park on-street overnight using a hang-tag permit. Each tag costs \$25/month and allows residents to park from 9 PM to 6 AM (during the 3 AM to 6 AM restricted parking period). This program sees approximately 10 to 15 active permits depending on the need of the respective residents.

The temporary authorization period concludes on December 31, 2022. Therefore, if the Council wishes to continue the program beyond that date, the program needs approval to be incorporated as a permanent part of the parking system.

**ALTERNATIVES:**

1. Adopt the Downtown Residential Overnight Parking Hang Tag Program as a permanent part of the parking system.
2. Authorize an extension of the temporary program for an additional year (through December 31, 2023).
3. Terminate the program.

**CITY MANAGER'S RECOMMENDED ACTION:**

The program has been successful in accomplishing its intended purpose. City staff is not aware of any issues, complaints, or conflicts with people parking overnight that would indicate the program should be terminated or modified.

Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, as noted above.
