Hello Ames City Council,

My name is Diana Nguyen, I am an Ames resident, a student of Ames High School, and a future voter. I've been interested in what actions the city council will be taking to aid the homeless population in Ames during the extreme cold weather. I am concerned for these people because although I am not affected, I want to make sure everyone is doing well during these times, especially during the flu season as well. What institutions are being placed to aid the homeless during the winter?

Thank you for taking the time to read this email,
Diana Nguyen.
