Dear Mayor Haila,
My name is Sutton Battles and I'm a future voter in Ames. I've lived in the Somerset neighborhood my entire life, and in the past few years since I've started driving, I noticed one intersection in my neighborhood is uncontrolled and has been shown to be dangerous in multiple personal encounters of mine. A few close calls over the years never really bothered me until my friend and I were driving through the intersection one evening and due to the glare of the sun a driver going across failed to spot us resulting in a car crash. Thankfully no one was injured except for the vehicles but it made me think, what if instead of a car it was a child walking across the street? I really hope you can look into placing a stop sign at the corner of Kent and Yorkshire to prevent any more unnecessary accidents.
Thank you for your time, Sutton Battles
