

**MEMO**

*Caring People ♦ Quality Programs ♦ Exceptional Service*

**TO:** Members of the City Council

**FROM:** John A. Haila, Mayor

**DATE:** September 26, 2023

**SUBJECT:** Appointments to City Boards and Commissions

Attached is a list of the City's boards and commissions that have current vacancies and the names of individuals I propose to be appointed to fill the openings. I continue to be pleased with the qualifications of the residents who applied for open positions, and I continue to look for qualified and interested candidates to fill a few remaining openings.

The application review and selection process included review of each application by the staff liaisons for the respective board or commission and me. We then compared notes. Staff is comfortable with the proposed list of recommended appointees.

Should you have any questions on one, or several of the applicants, please let me know. The City Clerk's Office also has all appointee applications on file should you wish to review them.
