Ames City Council,

My name is Nathaniel Kuhn and I am submitting a proposal to City Council on behalf of FUEL Young Professionals. It was recommended to us by Brian Phillips that we submit a proposal to City Council for a beautification project we are pursuing and have followed his direction in doing so. The project is presented in detail in the attached proposal. It is our hope to have this added to an upcoming City Council agenda and look forward to discussing in more detail.

As this is our organizations first proposal to City Council, any guidance on procedure or next steps would be greatly appreciated.

Have a great afternoon,
