Subject: Reaffirm Resolution No. 16-717 reaffirming the City's commitment to the values of equity, fairness, inclusion and justice.

On January 28, the Council received comments from Tommy Lenz, a graduate student at Iowa State University, regarding concerns from his international colleagues related to being deported or not allowed to return to the country if they visit home. At the conclusion of the meeting, the Council requested that the 2016 resolution reaffirming the City's commitment to values of equity, fairness and justice be placed on a future agenda. It is attached for the Council to consider whether to again reaffirm.
