COUNCIL ACTION FORM

SUBJECT: **WPC FACILITY BIOSOLIDS DISPOSAL OPERATIONS**

BACKGROUND:

On May 14, 2024, City Council awarded a contract in an amount not-to-exceed \$126,750.00 to Wulfekuhle Injection & Pumping of Peosta, Iowa, to complete the third and final year of a three-year biosolids disposal contract at the Water Pollution Control Facility (WPC). All work under the FY 2024/25 contract was completed to the satisfaction of staff and in accordance with the contract at a final cost of \$105,626.61. **Staff is recommending that Council accept completion of the work under the FY 2024/25 contract.**

Proposals are currently being reviewed for the next three-year agreement. A recommendation will be presented to Council in July.

ALTERNATIVES:

1. Accept completion of the FY 2024/25 contract in a final amount of \$105,626.61.
2. Do not accept completion at this time.

CITY MANAGER'S RECOMMENDED ACTION:

Disposal of biosolids at the WPC Facility is necessary for uninterrupted operation of the facility and continued permit compliance. Wulfekuhle Injection & Pumping has successfully completed the work required for FY 2024/25, and the project is now ready to be accepted. Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, as described above.
